

General Instructions

1. Candidates who may face issues in filling out and submitting the e-application form due to connectivity problems can apply through this form (available on the institutional website). It consists of two parts—Personal and Academic—followed by a declaration by the applicant.
2. Concerned applicants can take a print out of this form, fill in the relevant particulars therein, attach the relevant testimonials to it, and send the (scanned) document to Pragjyotishpur University through *any* of the following means:
 - WhatsApp: 70867 64540.
 - Email: praguniv.adm@gmail.com.
 - Post: Pragjyotishpur University (City Office), H/No. 98, Panipath, Geetanagar, P.O. at Noonmati, Guwahati, Kamrup (Metro), Assam 781020, India.
3. Applicants may dial up +91 70867 64540 or +91 70026 08106 for enquiries.

Grade/Percentage secured in matriculation (kindly attach marksheet copy)*:.....

Grade/Percentage secured in last qualifying (Higher Secondary or equivalent) exam *

• **Grade/Percentage if result has been declared** (kindly attach marksheet copy):

• **If result is yet to be declared, kindly mention it:**

Kindly read the following points carefully before proceeding

1. A **major** is a broad and primary field of study that one chooses to pursue when completing one's general education needs at the undergraduate level. For example, one may pursue a Bachelor of Arts degree by majoring in, say, English, Psychology, or Political Science.
2. A **minor** is a secondary field of study that one chooses to pursue alongside the major discipline. For example, one may choose to minor in, say, Assamese, History, or Sociology, while majoring in some other discipline, say, Chemistry, Economics, or Mathematics. A minor gives one the opportunity to study an additional field of interest but with fewer course requirements than a major.
3. A **Multi-Disciplinary Course (MDC)** refers to a field of study that gives students more flexibility in shaping their undergraduate studies by allowing them to explore a discipline besides those they have selected for major and minors. A student's choice of an MDC reflects her/his personal, academic, and/or career goals.
4. As per the National Education Policy (NEP), 2020, a student should opt for one major, two minors, and one MDC while pursuing a degree at the undergraduate level.

5. Choices of Major, Minor 1, Minor 2, and MDC must be different. For example, a student who decides to major in Physics cannot choose Physics itself for her/his minor or MDC, just as one who chooses Data Science for her/his MDC cannot major or minor in Data Science itself.

Tick the programme of your choice and the relevant school in the next column, and tick the Major, the 1st Minor, the 2nd Minor, and the MDC you wish to study
